Dear Bill and Members of AIA ACT

Thank you for your generous donation to the Nusa Tenggara Association. Your donation allows us to help some of the poorest people in the world in a region quite close to Australia's borders. Supporters like you are the reason we can do the work we do. Your donation can help break the poverty cycle for many of these people.

As a primarily volunteer-run organisation, we ensure that your donations are used, in the most effective and efficient way, to deliver essential infrastructure and education improvements, as well as improving the income-generating capabilities and food security of communities in Nusa Tenggara Timur.

We work collaboratively with local community groups to ensure that those communities identify what projects are needed and that they are closely involved in their implementation. This approach encourages active community participation in the delivery of the aid, from building infrastructure to the sharing of local knowledge.

This thank you letter also serves as your tax receipt. All donations to the NTA (excluding membership fees) are tax deductible.

Again, your continued support is greatly appreciated.

Kind regards,

The NTA Team
